

Ideation Phase Empathize&Discover

Date	23rd May 2025
Team ID	LTVIP2025TMID41850
Project Name	SHOPEZ
Maximum Marks	4 Marks

☞ Empathy Map – ShopEZ Customer

GOALS:

- Discover quality products easily
- Buy gifts quickly without browsing multiple sites
- Get fast and secure checkout experience
- Track orders with real-time updates

SAYS

- "I want something affordable and reliable."
- "Is this site safe to order from?"
- "I don't want to go through 5 steps just to buy a product."

THINKS

- "Will it arrive on time?"
- "Is this product really as good as the photos?"
- "What if it doesn't fit or I need to return it?"

DOES

- Filters products by price, rating, and category
- Adds items to wishlist or cart
- Abandons cart if the process is too long or confusing
- Shares a good experience or product link with friends

FEELS

- Overwhelmed by too many choices
- Frustrated if stock runs out before checkout
- Excited when order confirmation is fast
- Disappointed by poor delivery or quality

PAINS / CHALLENGES

- Checkout process takes too long
- Lack of clear return/replacement policy
- Confusion about payment security or delivery time

How This Helps ShopEZ

- Simplify and shorten checkout flow
- Add visual filters and smarter recommendations
- Clearly show delivery time, stock levels, and return policies
- Build trust with verified reviews and easy support
